**All Residents: The Fall Season begins on the 22nd Sept. and shortly thereafter, unfortunately, the Winter Season will be upon us. With that in mind, I am asking all residents, who may have or know someone who has, an abandoned vehicle/vehicles on a Borough Street, to remove them. We will be checking for such vehicles and giving notices to the Owners that they will have ( 5 ) days to comply. If not they will be towed away at the Owners expense. These vehicles cannot be stored on your property either. The Borough Ordinance only allows ( 1 ) such vehicle to be stored on private property. This is being done for three reasons: that it takes away from the appearance of the neighborhood, it makes plowing of the streets much easier for the Borough Crew and lastly, it's against the Law. Remember a clean neighborhood, is a happy neighborhood.**
