To all my family and friends, this will be the last time I do  
the entry of the Police Daily Activities. As  
I'm sure that you all know, today will be my final day as a  
Police Officer for the Borough of Dickson City,  
in that I am retiring and will be taking a new job, as a  
Detective, with the District Attorney's Office. I want to  
take this moment to say that it has been my pleasure to  
have served the people of this Borough, for the  
past 32 years. It is also my hope and belief, that somehow, i

will be leaving Dickson City a little better then  
when i first started here.
